## Raleigh County Parks and Recreation, Lake Stephens, Dam Rehabilitation Project is Complete

Beckley, WV, May 5, 2021 – Raleigh County Parks and Recreation and Lake Stephens have completed the Dam Rehabilitation Project. The project consisted of main construction on the dam, paving and repairs on the arches on the spill way.

The dam parking is now open during regular hours. Visitors can now launch kayaks and bank fish from the dam area. The marina is open for launching motor boats.
