## Raleigh County Parks and Recreation, Lake Stephens Campground is Experiencing Power Issues

Beckley, WV; September 2, 2021 – Raleigh County Parks and Recreation, Lake Stephens RV Campground is experiencing power issues.

The campground was evacuated on September 1, 2021 as a safety measure after reports of individuals being lightly shocked.

This issue is the same issue that occurred at the Recreation Area last month and occurred in Cabin and Tent area a couple weeks ago.

AEP and our staff are working on identifying and fixing the problem.

We are hopeful that the problem will be fixed by the afternoon on Friday September 3, 2021, but could be longer.

Currently all the power at Lake Stephens is off and will not be back on until later this evening. We will leave the Marina open. All other areas will be closed.

Campers can come in and retrieve items and food from their camper from 10am to 5pm.

To stay up to date on this issue visit <https://raleighcountyparks.org/park-posts/>.

We apologize for the inconvenience.
